LAW OFFICES

Allen Matkins Leck Gamble
Mallory & Natsis LLP

I, Krista L. Freitag, declare:

- 1. I am the Court-appointed permanent receiver for Defendant ANI Development, LLC, Relief Defendant American National Investments, Inc., and their subsidiaries and affiliates ("Receivership Entities"). I make this declaration in support of my Motion for (A) Approval of Sale of Real Property Located at 4205 Lamont Street, #12; and (B) Authority To Pay Broker's Commission ("Motion"). I have personal knowledge of the facts stated herein, and if called upon to do so, I could and would personally and competently testify to them.
- 2. The receivership estate includes numerous residential and commercial real properties. The residential properties include a condominium located at 4205 Lamont Street, #12, San Diego, California ("Lamont Street Property"). The Lamont Street Property is 553 square feet with one bedroom and one bathroom. The Lamont Street Property was purchased by one of the Receivership Entities, 2466 1st Avenue, LLC, for \$350,000 on September 23, 2016.
- 3. Prior to my appointment, on May 14, 2019, the Lamont Street Property was listed for sale on the Multiple Listing Service (MLS) with a licensed broker, Pacific Sotheby's International Realty ("Broker"). The list price was \$399,000. The property was on the market for 89 days before it went into escrow on August 10, 2019 with a purchase price of \$409,000. The buyer is Misty Swetland ("Buyer").
- 4. Upon my appointment and after learning of the pending sale, I performed my own analysis of the value of the Lamont Street Property, including a review of automated valuation scores for the property and a review of the appraisal procured by Buyer (with an appraised value of \$410,000) and determined that the proposed purchase price is fair and reasonable. The Buyer and I then executed a First Amendment to Residential Purchase Agreement and Escrow Instructions ("First Amendment")¹ which makes Court approval of the sale a condition to closing

ces

A true and correct copy of the Residential Purchase Agreement and Escrow Instructions, as well as, the First Amendment is attached hereto as Exhibit A.

and provides for the overbid and auction process described below. The First Amendment was signed on September 26, 2019.

- 5. The Lamont Street Property is encumbered by a Small Business Administration loan and deed of trust in favor of First Choice Bank. The SBA loan is associated with Receivership Entity 2163 Abbott Street, LP, which owns Surf Rider Pizza Co. The balance due on the loan is approximately \$800,000. The collateral for the SBA loan includes the personal property located at Surf Rider Pizza Co. in Mission Beach, the Lamont Street Property, and two other residential properties 4364 Valle Vista, San Diego, California as well as Defendant Champion-Cain's residence located in the Mission Hills area of San Diego.¹
- 6. The Valle Vista property is effectively controlled by the Receivership Entities as landlord and is held in a trust for which Champion-Cain is the sole remaining Grantor and Trustee. Although the Valle Vista property is encumbered by two loans a first position mortgage (debt service payments for which have been made by the Receivership Entities) and the SBA loan discussed above in second position with the reduction of the balance due on the SBA loan from the proceeds from the proposed sale of the Lamont Street Property, I anticipate the receivership estate will recover approximately \$100,000 from the sale of the Valle Vista property. These sales and the resulting payoff of the SBA loan will allow me to sell the personal property located at the Surf Rider Pizza Co. in Mission Beach, the expenditures for which were substantial and recovery from which is also expected to be material.
- 7. I believe the proposed sale to Buyer pursuant to the Agreement is in the best interests of the estate. The Lamont Street Property was listed on the MLS with a licensed broker and shown to all interested parties. The property was on the market for 89 days, offers were received, terms negotiated, and the Agreement

890432.01/SD

It is unclear at this point whether the receivership estate has claims to or will be able to recover any value from Champion-Cain's residence.

signed. I have found no evidence that the proposed sale is anything other than an ordinary arm's length transaction. The purchase price is fair and reasonable and exceeds what the property was purchased for in 2016 by \$59,000.

8. With respect to Broker's commission, Broker appears to have broadly marketed the Lamont Street Property for sale, to include its posting on the MLS and its own website. The listing agreement is consistent with industry standards for commissions paid to brokers for sales of residential properties. Accordingly, I request authorization to pay Broker the commission amount in accordance with the listing agreement.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this <u>Manager</u> day of October 2019, at San Diego, California.

3UYER'S INSPECTION ADVISOR

(C.A.R. Form BIA, Revised 11/14)

Property Address 4205 Lamont St Unit 12, San Diego, CA 92109-5507

1. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations.

2. BROKER OBLIGATIONS: Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as

those listed below. If Broker gives you referrals to professionals, Broker does not guarantee their performance.

3. YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY, INCLUDING BUT NOT LIMITED TO THE FOLLOWING. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.

- A. GENERAL CONDITION OF THE PROPERTY, ITS SYSTEMS AND COMPONENTS: Foundation, roof (condition, age, leaks, useful life), plumbing, heating, air conditioning, electrical, mechanical, security, pool/spa (cracks, leaks, operation), other structural and nonstructural systems and components, fixtures, built-in appliances, any personal property included in the sale, and energy efficiency of the Property.
- B. SQUARE FOOTAGE, AGE, BOUNDARIES: Square footage, room dimensions, lot size, age of improvements and boundaries. Any numerical statements regarding these items are APPROXIMATIONS ONLY and have not been verified by Seller and cannot be verified by Brokers. Fences, hedges, walls, retaining walls and other barriers or markers do not necessarily identify true Property boundaries.
- C. WOOD DESTROYING PESTS: Presence of, or conditions likely to lead to the presence of wood destroying pests and organisms.

D. SOIL STABILITY: Existence of fill or compacted soil, expansive or contracting soil, susceptibility to slippage, settling or movement, and the adequacy of drainage.

E. WATER AND UTILITIES; WELL SYSTEMS AND COMPONENTS; WASTE DISPOSAL: Water and utility availability, use restrictions and costs. Water quality, adequacy, condition, and performance of well systems and components. The type, size, adequacy, capacity and condition of sewer and septic systems and components, connection to sewer, and applicable fees.

F. ENVIRONMENTAL HAZARDS: Potential environmental hazards, including, but not limited to, asbestos, lead-based paint and other lead contamination, radon, methane, other gases, fuel oil or chemical storage tanks, contaminated soil or water, hazardous waste, waste disposal sites, electromagnetic fields, nuclear sources, and other substances, materials, products, or conditions (including mold (airborne, toxic or otherwise), fungus or similar contaminants).

G. EARTHQUAKES AND FLOODING: Susceptibility of the Property to earthquake/seismic hazards and propensity of the Property to flood,

H. FIRE, HAZARD AND OTHER INSURANCE: The availability and cost of necessary or desired Insurance may vary. The location of the Property in a seismic, flood or fire hazard zone, and other conditions, such as the age of the Property and the claims history of the Property and Buyer, may affect the availability and need for certain types of insurance. Buyer should explore insurance options early as this information may affect other decisions, including the removal of loan and inspection contingencies.

BUILDING PERMITS, ZONING AND GOVERNMENTAL REQUIREMENTS: Permits, inspections, certificates, zoning, other
governmental limitations, restrictions, and requirements affecting the current or future use of the Property, its development or size.

J. RENTAL PROPERTY RESTRICTIONS: Some cities and counties impose restrictions that limit the amount of rent that can be charged, the maximum number of occupants, and the right of a landlord to terminate a tenancy. Deadbolt or other locks and security systems for doors and windows, including window bars, should be examined to determine whether they satisfy legal requirements.

K. SECURITY AND SAFETY: State and local Law may require the installation of barriers, access alarms, self-latching mechanisms and/or other measures to decrease the risk to children and other persons of existing swimming pools and hot tubs, as well as

various fire safety and other measures concerning other features of the Property.

E. NEIGHBORHOOD, AREA, SUBDIVISION CONDITIONS; PERSONAL FACTORS: Neighborhood or area conditions, including schools, law enforcement, crime statistics, registered felons or offenders, fire protection, other government services, availability, adequacy and cost of internet connections or other technology services and installations, commercial, industrial or agricultural activities, existing and proposed transportation, construction and development that may affect noise, view, or traffic, airport noise, noise or odor from any source, wild and domestic animals, other nuisances, hazards, or circumstances, protected species, wetland properties, botanical diseases, historic or other governmentally protected sites or improvements, cemeteries, facilities and condition of common areas of common interest subdivisions, and possible lack of compliance with any governing documents or Homeowners' Association requirements, conditions and influences of significance to certain cultures and/or religions, and personal needs, requirements and preferences of Buyer.

DISCLOSURE REGARDIN REAL ESTATE AGENCY RELATIONSHIP

(Buyer's Brokerage Firm to Buyer) (As required by the Civil Code) (C.A.R. Form AD, Revised 12/18)

[] (If checked) This form is being provided in connection with a transaction for a leasehold interest exceeding one year as per Civil Code section 2079.13(j), (k) and (l).

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith,
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A Buyer's agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more salespersons and broker associates, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer.

- (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
- (b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the Buyer's or Seller's financial position, motivations, bargaining position, or other personal information that may impact price, including the Seller's willingness to accept a price less than the listing price or the Buyer's willingness to pay a price greater than the price offered.

SELLER AND BUYER RESPONSIBILITIES

Either the purchase agreement or a separate document will contain a confirmation of which agent is representing you exclusively in the transaction or acting as dual agent. Please pay attention to that confirmation to make sure it accurately reflects your understanding of your agent's role.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

If you are a Buyer, you have the duty to exercise reasonable care to protect yourself, including as to those facts about the property which are known to you or within your diligent attention and observation.

Both Sellers and Buyers should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction. This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on page 2. Read it carefully. AD REVISED 12/18 (PAGE 2 OF 2) DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP (AD PAGE 2 OF 2)

CALIFORNIA PO BLE REPRESENTATION OF MC THAN ONE BUYER OR SELLER - DISCLOSURE AND CONSENT

(C.A.R. Form PRBS, Revised 12/18)

A real estate broker (Broker), whether a corporation, partnership or sole proprietorship, may represent more than one buyer or seller. This multiple representation can occur through an individual licensed as a broker or salesperson or through different individual broker's or salespersons (associate licensees) acting under the Broker's license. The associate licensees may be working out of the same or different office locations.

Multiple Buyers: Broker (individually or through its associate licensees) may be working with many prospective buyers at the same time. These prospective buyers may have an interest in, and make offers on, the same properties. Some of these properties may be listed with Broker and some may not. Broker will not limit or restrict any particular buyer from making an offer on any particular property whether or not Broker represents other buyers interested in the same property.

Multiple Sellers: Broker (individually or through its associate licensees) may have listings on many properties at the same time. As a result, Broker will attempt to find buyers for each of those listed properties. Some listed properties may appeal to the same prospective buyers. Some properties may attract more prospective buyers than others. Some of these prospective buyers may be represented by Broker and some may not. Broker will market all listed properties to all prospective buyers whether or not Broker has another or other listed properties that may appeal to the same prospective buyers.

Dual Agency: If Seller is represented by Broker, Seller acknowledges that broker may represent prospective buyers of Seller's property and consents to Broker acting as a dual agent for both seller and buyer in that transaction. If Buyer is represented by Broker, buyer acknowledges that Broker may represent sellers of property that Buyer is interested in acquiring and consents to Broker acting as a dual agent for both buyer and seller with regard to that property.

In the event of dual agency, seller and buyer agree that: a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the buyer's or seller's financial position, motivations, bargaining position, or other personal information that may impact price. including the seller's willingness to accept a price less than the listing price or the buyer's willingness to pay a price greater than the price offered; and except as set forth above, a dual agent is obligated to disclose known facts materially affecting the value or desirability of the Property to both parties.

Offers not necessarily confidential: Buyer is advised that seller or listing agent may disclose the existence, terms, or conditions of buyer's offer unless all parties and their agent have signed a written confidentiality agreement. Whether any such information is actually disclosed depends on many factors, such as current market conditions, the prevailing practice in the real estate community, the listing agent's marketing strategy and the instructions of the seller.

Buyer and seller understand that Broker may represent more than one buyer or more than one seller and even both buyer and seller on the same transaction and consents to such relationships.

Seller and/or Buyer acknowledges reading and understanding this Possible Representation of More Than One Buyer or Seller - Disclosure and Consent and agrees to the agency possibilities disclosed.

WIRE FRAUD AND ELECTRONIC FUNDS TRANSFERS ADVISORY:

The ability to communicate and conduct business electronically is a convenience and reality in nearly all parts of our lives. At the same time, it has provided hackers and scammers new opportunities for their criminal activity. Many businesses have been victimized and the real estate business is no exception.

While wiring or electronically transferring funds is a welcome convenience, we all need to exercise extreme caution. Emails attempting to induce fraudulent wire transfers have been received and have appeared to be legitimate. Reports indicate that some hackers have been able to intercept emailed transfer instructions, obtain account information and, by altering some of the data, redirect the funds to a different account. It also appears that some hackers were able to provide false phone numbers for verifying the wiring or funds transfer instructions. In those cases, the victim called the number provided to confirm the instructions, and then unwittingly authorized a transfer to somewhere or someone other than the intended recipient.

ACCORDINGLY, YOU ARE ADVISED:

- 1. Obtain phone numbers and account numbers only from Escrow Officers, Property Managers, or Landlords at the beginning of the transaction.
- 2. DO NOT EVER WIRE OR ELECTRONICALLY TRANSFER FUNDS PRIOR TO CALLING TO CONFIRM THE TRANSFER INSTRUCTIONS. ONLY USE A PHONE NUMBER YOU WERE PROVIDED PREVIOUSLY. Do not use any different phone number or account number included in any emailed transfer instructions.
- 3. Orally confirm the transfer instruction is legitimate and confirm the bank routing number, account numbers and other codes before taking steps to transfer the funds.
- 4. Avoid sending personal information in emails or texts. Provide such information in person or over the telephone directly to the Escrow Officer, Property Manager, or Landlord.
- 5. Take steps to secure the system you are using with your email account. These steps include creating strong passwords, using secure WiFi, and not using free services.

If you believe you have received questionable or suspicious wire or funds transfer instructions, immediately notify your bank, and the other party, and the Escrow Office, Landlord, or Property Manager. The sources below, as well as others, can also provide information:

SELLER'S ADVISORY (C.A.R. Form SA, Revised 12/15)

| Property Address: 4205 Lamont Street #12, san diego, 92109 | ("Property" |
|--|-------------|
|--|-------------|

1. INTRODUCTION: Selling property in California is a process that involves many steps. From start to finish, it could take anywhere from a few weeks to many months, depending upon the condition of your Property, local market conditions and other factors. You have already taken an important first step by listing your Property for sale with a licensed real estate broker. Your broker will help guide you through the process and may refer you to other professionals, as needed. This advisory addresses many things you may need to think about and do as you market your Property. Some of these things are requirements imposed upon you, either by law or by the listing or sale contract. Others are simply practical matters that may arise during the process. Please read this document carefully and, if you have any questions, ask your broker or appropriate legal or tax advisor for help.

2. DISCLOSURES:

- A. General Disclosure Duties: You must affirmatively disclose to the buyer, in writing, any and all known facts that materially affect the value or desirability of your Property. You must disclose these facts whether or not asked about such matters by the buyer, any broker, or anyone else. This duty to disclose applies even if the buyer agrees to purchase your Property in its present condition without requiring you to make any repairs. If you do not know what or how to disclose, you should consult a real estate attorney in California of your choosing. Broker cannot advise you on the legal sufficiency of any disclosures you make. If the Property you are selling is a residence with one to four units except for certain subdivisions, your broker also has a duty to conduct a reasonably competent and diligent visual inspection of the accessible areas and to disclose to a buyer all adverse material facts that the inspection reveals. If your broker discovers something that could indicate a problem, your broker must advise the buyer.
- B. Statutory Duties: (For one-to-four Residential Units):
 - (1) You must timely prepare and deliver to the buyer, among other things, a Real Estate Transfer Disclosure Statement ("TDS"), and a Natural Hazard Disclosure Statement ("NHD"). You have a legal obligation to honestly and completely fill out the TDS form in its entirety. (Many local entities or organizations have their own supplement to the TDS that you may also be asked to complete.) The NHD is a statement indicating whether your Property is in certain designated flood, fire or earthquake/seismic hazard zones. Third-party professional companies can help you with this task.
 - (2) Depending upon the age and type of construction of your Property, you may also be required to provide and, in certain cases you can receive limited legal protection by providing, the buyer with booklets entitled "The Homeowner's Guide to Earthquake Safety," "The Commercial Property Owner's Guide to Earthquake Safety," "Protect Your Family From Lead in Your Home" and "Environmental Hazards: A Guide For Homeowners and Buyers." Some of these booklets may be packaged together for your convenience. The earthquake guides ask you to answer specific questions about your Property's structure and preparedness for an earthquake. If you are required to supply the booklet about lead, you will also be required to disclose to the buyer any known lead-based paint and lead-based paint hazards on a separate form. The environmental hazards guide informs the buyer of common environmental hazards that may be found in properties.
 - (3) If you know that your property is: (i) located within one mile of a former military ordnance location; or (ii) in or affected by a zone or district allowing manufacturing, commercial or airport use, you must disclose this to the buyer. You are also required to make a good faith effort to obtain and deliver to the buyer a disclosure notice from the appropriate local agency(ies) about any special tax levied on your Property pursuant to the Mello-Roos Community Facilities Act, the Improvement Bond Act of 1915, and a notice concerning the contractual assessment provided by section 5898.24 of the Streets And Highways Code (collectively, "Special Tax Disclosures").
 - (4) If the TDS, NHD, or lead, military ordnance, commercial zone or Special Tax Disclosures are provided to a buyer after you accept that buyer's offer, the buyer will have 3 days after delivery (or 5 days if mailed) to terminate the offer, which is why it is extremely important to complete these disclosures as soon as possible. There are certain exemptions from these statutory requirements; however, if you have actual knowledge of any of these items, you may still be required to make a disclosure as the Items can be considered material facts.
- C. Death and Other Disclosures: Many buyers consider death on real property to be a material fact in the purchase of property. In some situations, it is advisable to disclose that a death occurred or the manner of death; however, California Civil Code Section 1710.2 provides that you have no disclosure duty "where the death has occurred more than three years prior to the date the transferee offers to purchase, lease, or rent the real property, or [regardless of the date of occurrence] that an occupant of that property was afflicted with, or died from, Human T-Lymphotropic Virus Type III/Lymphadenopathy-Associated Virus." This law does not "immunize an owner or his or her agent from making an intentional misrepresentation in response to a direct inquiry from a transferee or a prospective transferee of real property, concerning deaths on the real property."
- D. Condominiums and Other Common Interest Subdivisions: If the Property is a condominium, townhouse, or other property in a common interest subdivision, you must provide to the buyer copies of the governing documents, the most recent financial statements distributed, and other documents required by law or contract. If you do not have a current version of these documents, you can request them from the management of your homeowner's association. To avoid delays, you are encouraged to obtain these documents as soon as possible, even if you have not yet entered into a purchase agreement to sell your Property.

3. CONTRACT TERMS AND LEGAL REQUIREMENTS:

A. Contract Terms and Conditions: A buyer may request, as part of the contract for the sale of your Property, that you pay for repairs to the Property and other items. Your decision on whether or not to comply with a buyer's requests may affect your ability to sell your Property at a specified price.

| | D, | Government Required Repairs, Replacements and Alterations: Under State law, Property owners with limited exceptions, are required to: (1) Install operable smoke alarms and brace water heaters and provide a Buyer with a statement of compliance. Existing operable smoke alarms, that met compliance standards when installed, do no have to be removed even if not up to current legal requirements. Smoke alarms that are added or that replace older versions must comply with current law; and (2) install carbon monoxide detection devices. Some city and county governments may impose additional requirements, including, but not limited to, installing low-flow tollets and showerheads, gas shut-off valves, tempered glass, and barriers around swimming pools and spas. You should consult with the appropriate governmental agencies, inspectors, and other professionals to determine which requirements apply to your Property, the extent to which your Property complies with such requirements, and the costs, if any, of compliance. |
| A | F. | EPA's LEAD-BASED PAINT RENOVATION, REPAIR AND PAINTING RULE: The new rule requires that contractors and maintenance professionals working in pre-1978 housing, child care facilities, and schools with lead-based paint be certified; that their employees be trained; and that they follow protective work practice standards. The rule applies to renovation, repair, or painting activities affecting more than six square feet of lead-based paint in a room or more than 20 square feet of lead-based paint on the exterior. Enforcement of the rule begins October 1, 2010. See the EPA website at www.epa.gov/lead for more information. Legal, Tax and Other Implications: Selling your Property may have legal, tax, insurance, title or other implications. You should consult an appropriate professional for advice on these matters. RKETING CONSIDERATIONS: |
| 7. | | Pre-Sale Inspections and Considerations: You should consider doing what you can to prepare your Property for sale, such as correcting any defects or other problems, making cosmetic improvements, and staging. Many people are not aware of defects in or problems with their own Property. One way to make yourself aware is to obtain professional inspections prior to sale. Pre-sale inspections may include a general property inspection: an inspection for wood destroying pest and organisms (Structural Pest Control Report) and an inspection of the septic or well systems, if any, among others. By doing this, you then have an opportunity to make repairs before your Property is sold, which may enhance its marketability. Keep in mind, however, that any problems revealed by such inspection reports or repairs that have been made, whether or not disclosed in a report, should be disclosed to the buyer (see "Disclosures" in paragraph 2 above). This is true even if the buyer gets his/her own inspections covering the same area. Obtaining inspection reports may also assist you during contract negotiations with the buyer. For |
| | В. | example, if a Structural Pest Control Report has both a primary and secondary recommendation for clearance, you may want to specify in the purchase agreement those recommendations, if any, for which you are going to pay. Post-Sale Protections: It is often helpful to provide the buyer with, among other things, a home protection/warranty plan for the Property. These plans will generally cover problems, not deemed to be pre-existing, that occur after your sale is completed. In the event something does go wrong after the sale, and it is covered by the plan, the buyer may be able to resolve the concern by |
| | C. | contacting the home protection company. Safety Precautions: Advertising and marketing your Property for sale, including, but not limited to, holding open houses, placing a keysafe/lockbox, erecting FOR SALE signs, and disseminating photographs, video tapes, and virtual tours of the premises, may jeopardize your personal safety and that of your Property. You are strongly encouraged to maintain insurance, and to take any and all possible precautions and safeguards to protect yourself, other occupants, visitors, your Property, and your belongings, including cash, jewelry, drugs, frearms and other valuables located on the Property, against injury, theft, loss, vandalism, damage, and other harm. |

D. Expenses: You are advised that you, not the Broker, are responsible for the fees and costs, if any, to comply with your duties

and obligations to the buyer of your Property. 5. OTHER ITEMS:

Gina Champion-Cain, ANI Development, LLC. and American National Investments, Inc., United States District Court for the Southern District of California (the "Court"), Case No. 3:19-CV-01628-H-BLM (the "Action").

RECITALS

- A. Buyer and Seller entered into that certain Residential Purchase Agreement and Joint Escrow Instructions dated August 8, 2019 (the "Original Agreement"), as modified by that certain Seller Counter Offer No. 1 accepted by Buyer on August 10, 2019 (the "Counter Offer") (collectively, the "Agreement") for the sale of certain property located at 4205 Lamont Street, #12, San Diego, California 92109 (the "Property"), as more particularly described in the Agreement.

- C. Seller previously elected to utilize Chicago Title Company to obtain the owner's title insurance policy for the Property (the "Owner's Title Policy"), as provided in Sections 7.C and 13 of the Original Agreement and Section 1.C of the Counter Offer. However, in connection with the Action, Receiver requires that the parties instead use Lawyer's Title to obtain such title insurance policy.
- D. Seller and Buyer desire to amend the Agreement to (i) agree upon Lawyers Title as the title insurance company for issuing the Owner's Title Policy required by the Agreement, (ii) provide for certain terms and conditions related to the receivership, and (iii) otherwise modify the Agreement as provided herein.
