UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

SECURITIES AND EXCHANGE
COMMISSION,

Plaintiff,

v.

GINA CHAMPION-CAIN, et al.,

Defendants.

Case No.: 19cv1628-LAB (AHG)

**ORDER AUTHORIZING
BRIEFING ON RELEASE OF
PULLMAN LOFTS PHASE I, LLC**

Receiver Krista Freitag has filed a request to clarify the joint motion for approval of the sale of personal property interest in Pullman Lofts Phase I, LLC. (Docket no. 258.) The joint motion, and most of the requests for clarification are referred to Magistrate Judge Allison Goddard. The exception to this referral is the request that, upon the closing sale of GCC’s membership interest, the Receiver asks that Pullman be released from the receivership.

Assuming Judge Goddard grants the request, any party opposing Pullman’s release from the receivership may file a written opposition to the request, **within 7 calendar days of the date her order granting the request is docketed.**

Assuming Judge Goddard grants the request, the Receiver should also send to the Court’s efile address a proposed order releasing Pullman, in editable electronic format.

1 If no party files a written opposition within the time permitted, the request
2 may be granted as unopposed.
